

A "Whale" of an Event

Happy Earth Month!

AES & THE WYLAND FOUNDATION INVITE YOU TO JOIN THE CELEBRATION

We're celebrating the start of Earth Month with an eco-fun-friendly day, where we'll mark the 20th birthday of the famed "Wyland Wall" that graces our facility — the 622-foot mural of California Gray Whales by renowned environmental artist Wyland, who will be on-site refreshing the giant, historic, eco-themed mural.
